All 8th Grade girls who have participated in the Bobby Sox program for at least four (4) seasons. The Bobby Sox year consists of two seasons, the spring and the fall. How do girls apply?

Scholarship information and application packages are available on the Bobby Sox Softball Website at <http://bobbysoxsoftball.org>. Each Bobby Sox Administrative Board of Directors should appoint a Bobby Sox Scholarship Counselor to seek Bobby Sox players who now are in their eighth grade of school to allow these girls the opportunity to apply. All Scholarship applications are to be completed and sent to the National Office of Bobby Sox Softball - Attention Scholarship.

How many scholarships are given each year?

Scholarships are presented to the girls of Bobby Sox each year based on the entries submitted. The exact number and award is determined during the current Spring Season. All qualifying 8th Graders will receive \$50 or \$100 Award.

How can the League Board Help?

The Bobby Sox League's Administrative Board can facilitate the awarding of scholarship to deserving young ladies by maintaining a list of the 8th Grade Bobby Soxer Players in the League. The League President, League Vice President, or the League Player Agent should make certain that their 8th Graders receive a Bobby Sox Scholarship Application and then assist them with their efforts to apply.

How are 8th Grade recipients chosen?

Applications are reviewed and the preliminary criteria is verified. A total of 100 points may be awarded by the Scholarship Committee. A total of 20 points is awarded for the properly completed application, applicants photo, Bobby Sox recommendations, community leaders recommendations, and school recommendations. A total of 20 points for academic excellence. And a total of 60 points for the scholarship essay as determined by the panel of three Scholarship Committee Members. This criteria includes; application being received by the deadline date (May 5th), verification of four seasons of Bobby Sox participation and for 8th Grade students a grade point average of at least 2.0. Applications include the applicants extracurricular activities, educational achievements, letters of recommendation, and the essay written by each girl.

What is expected in the future?

In future years determined by the annual participation, the Bobby Sox Softball Scholarship Fund will continue to grow. Girls who are active in the program today and who invest each season will certainly benefit from a larger scholarship fund in the near future. Each League Board of Directors will make a concerted effort to keep their League informed of the Scholarship Program and it's benefit to the girls and their families, thereby increasing participation and the awards presented to the girls of Bobby Sox for their future.
